

Chiamaka Precious

Chiamaka Precious is an agricultural entrepreneur, sustainability advocate, and the founder of Macaney Sustainable Solution and Api Care Foundation. She has trained Nigerian youths in beekeeping in partnership with the Ministry of Youth Development and led a community training in Edenye Village, Bassa LGA, Kogi State, to revive the Gbawaru Forest. As Event Manager and a member of the planning committee for the Global Youth Conference & Awards 2024 (organized by Focus Africa), she successfully mobilized over 500 young people to participate. She served on the World Bee Day Africa Planning Committee in 2024 and 2025 and currently serves as Senior Special Assistant to the NAAS President on Entrepreneurship Studies. Passionate about food security, biodiversity, and youth empowerment, she promotes sustainable agriculture and develops innovative solutions for a hunger-free future.
